Re: Gutter Helmet installed with Owens Corning® Shingles

To Whom It May Concern:

This will confirm that Owens Corning's will Warranty its Shingles against manufacturing defects when Gutter Helmet is installed at the first two shingle courses at the eaves edge. We however will not take any responsibility for any damage to our shingles or any wind damage that may occur when Gutter Helmet is installed. If you have any further questions, please call me at (419) 248-5500

Sincerely,

Mel Sancrant
